

# Denis Global Cookie Policy

Last updated: 30 June 2026

## 1. Introduction

Our website uses cookies to make things work smoothly and to help us understand how people use our site. Some cookies are essential, while others help us improve your experience. When non-essential cookies are used, we'll ask for your permission the first time you visit.

## 2. What Are Cookies?

Cookies are small text files stored on your device when you browse a website. As your original policy explains, "Cookies may be either 'persistent' cookies or 'session' cookies" — some stay until they expire, while others disappear when you close your browser.

Cookies don't usually identify you personally, but information we store elsewhere may be linked to cookie data.

## 3. Cookies We Use

We only use cookies that support the operation, security, and improvement of our website. We do not use advertising cookies or any cookies for personalised marketing.

### Cookie Categories We Use

- **Essential cookies**  
These keep the website running — things like security, page navigation, and remembering your cookie choices.
- **Analytics cookies**  
These help us understand how visitors use the site so we can improve it. We use Google Analytics for this purpose.
- **Preference cookies**  
These remember small choices you make, like language or display settings.

## 4. Cookie Table

Below is a simple overview of the cookies you may encounter on our website. You can expand this table later if you add or remove cookies.

| Cookie Name    | Purpose                                                          | Type      | Expiry               |
|----------------|------------------------------------------------------------------|-----------|----------------------|
| cookie_consent | Stores your cookie preferences so we don't show the banner again | Essential | 6 months             |
| _ga            | Helps us understand how visitors use the site (Google Analytics) | Analytics | 2 years              |
| _gid           | Tracks basic user behaviour for analytics (Google Analytics)     | Analytics | 24 hours             |
| session_id     | Maintains your session while browsing                            | Session   | Until browser closes |

## 5. Third-Party Cookies

We use Google Analytics to help us understand how our website is used. Google may place cookies on your device for this purpose. You can read more about how Google handles data in their privacy policy. We do not use Google AdSense, Facebook Pixel, or any advertising networks.
