What personal information we process about you

We collect and use relevant information about you to provide you with the insurance cover or the insurance cover that benefits you, and to meet our legal obligations and the obligations of others in the insurance chain.

This information includes details such as your name, address and contact details and any other information that we collect about you in connection with the insurance cover, or the cover from which you benefit. This information may include special categories of personal data details such as information about your health and any criminal convictions you may have.

Why we collect your personal information and the lawful basis for processing

We collect and use your personal data to provide you with the insurance cover. The legal basis is the contract performance with you as the data subject and the compliance with legal obligations, amongst other insurance and tax law obligations.

For processing sensitive health personal data, the general legal basis is the consent, unless there is a local statutory right to do so as a legal basis.

For processing child personal data, the legal basis is the consent given or authorised by the holder of parental responsibility over the child.

Finally, we can also process your personal data for fraud prevention and detection with legitimate interest as the legal basis.

Who we are sharing your personal data with

The way insurance works means that your information may be shared and used by several third parties in the insurance sector (inside and outside the European Economic Area-EEA). For example, insurers, insurance agents or insurance brokers, reinsurers, loss adjusters, sub-contractors, regulators, law enforcement agencies, fraud and crime prevention and detection agencies and compulsory insurance databases. We will only disclose your personal information in connection with the insurance cover that is provided, and to the extent that it is needed or allowed by law.

From time to time we may need to share your personal information with third parties outside EEA and we will always take steps to ensure that any international transfer of information is carefully managed to protect your rights and interests:

• We will only transfer your personal information to countries which are recognised as providing an adequate level of legal protection or where we can be satisfied those alternative arrangements are in place to protect your privacy rights.
• Transfers to service providers and other third parties will always be protected by contractual commitments and where appropriate further assurances.
• Any requests for information we receive from law enforcement or regulators will be carefully checked before personal information is disclosed.

How long we keep your data

We keep your personal details for no longer than is necessary in offering the insurance arranged or to comply with our legal or regulatory requirements.

We will securely delete or erase your personal information if there is no valid business reason for retaining your data. In exceptional circumstances, we may retain your personal information for longer periods of time if we believe there is a prospect of litigation, in the event of any complaints or there is another valid business reason the data will be needed in the future.

Consent

For processing health or genetic personal data, and for processing child personal data below the age of 16, in connection with the insurance cover, the insurance agent or insurance broker that arranged the contract will ask you to obtain your consent through the data protection consent form, except in countries where, for the processing of sensitive health personal data, in the context of an insurance policy, there is a local statutory right to do so.

The processing of child personal data will be lawful if the consent is given or authorised by the holder of parental responsibility over the child.

You are free to give us your consent, however, if you do not give your consent, or you withdraw your consent, this may affect our ability to provide the insurance cover from which you benefit and may prevent us from providing cover for you or handling your claims.
